

5 by 7 array

Arrays

Arrays

2, 5 and 10 times table

Take it in turns to choose one number from 2, 5 and 10 and one number from 3 to 12.

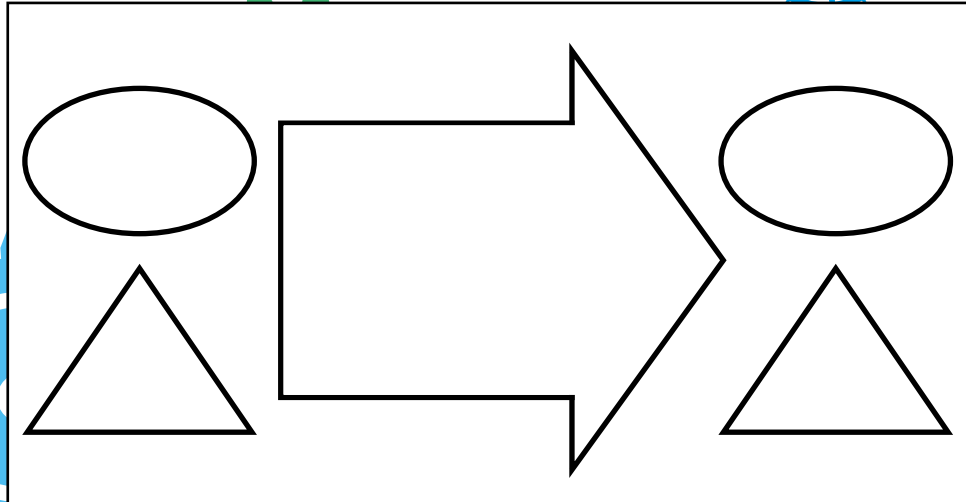

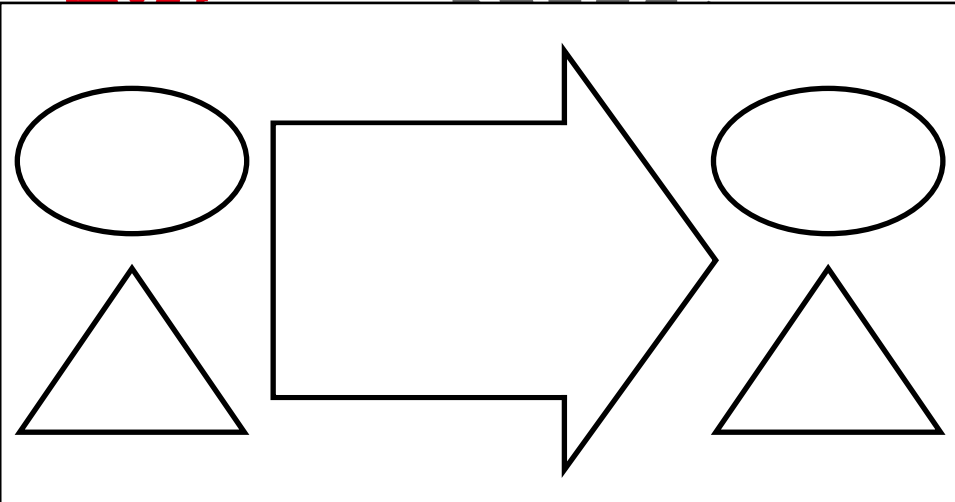

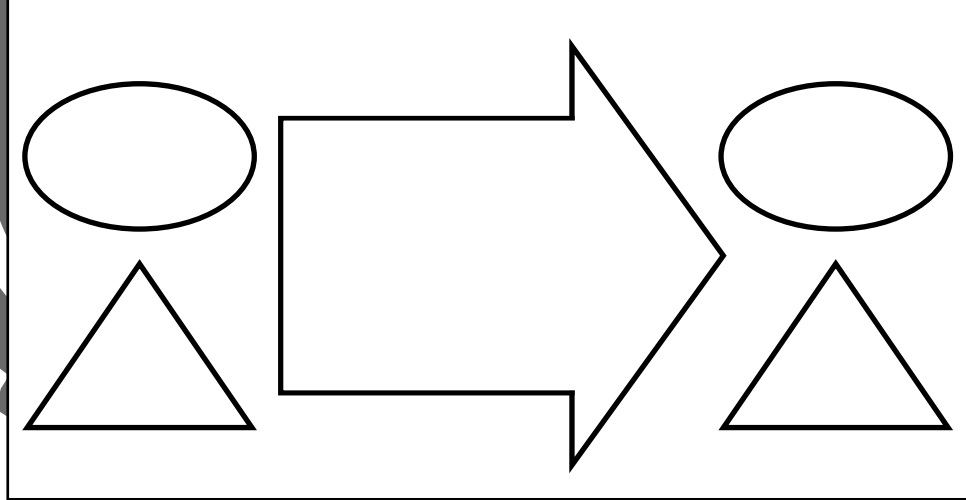

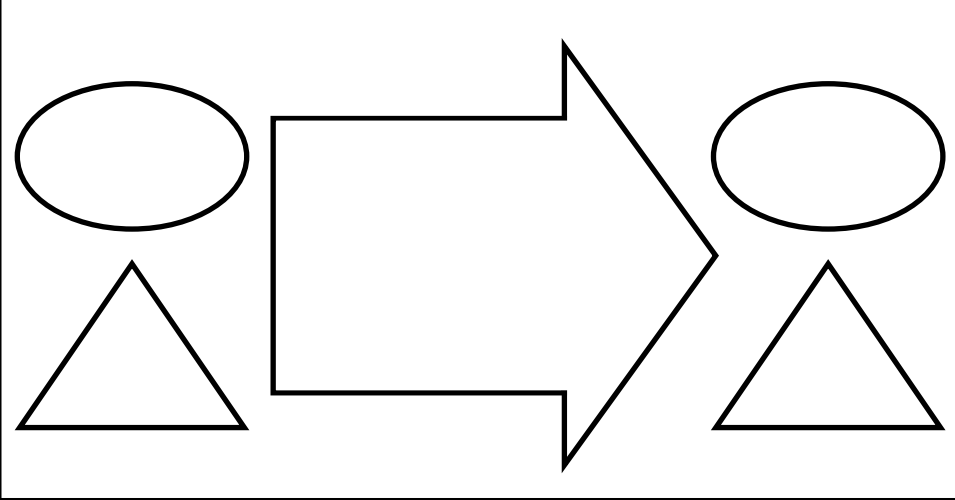

Multiply them together to make a number on the grid.

Ring the answer in your chosen colour.

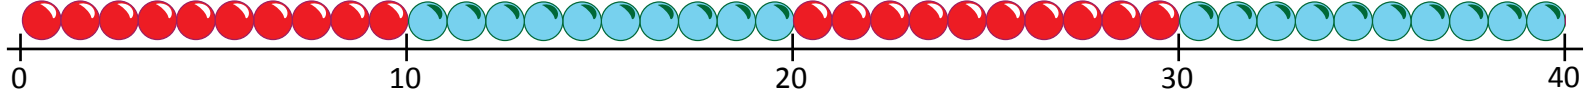

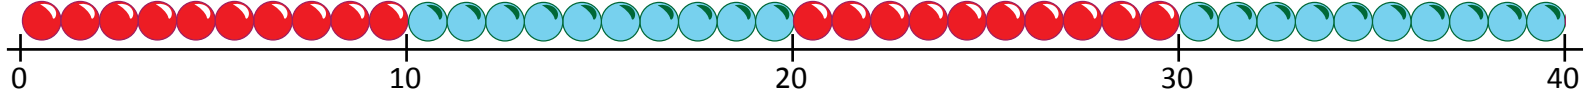

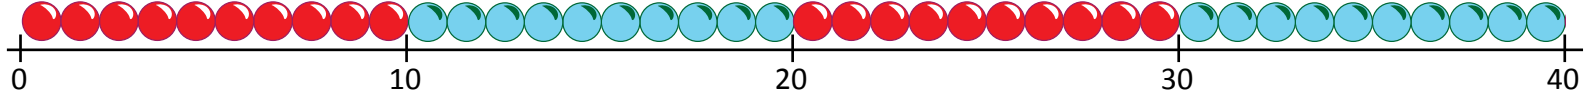

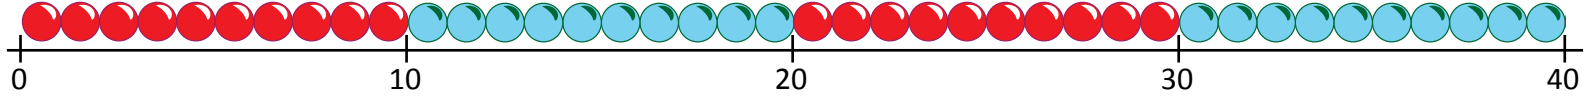

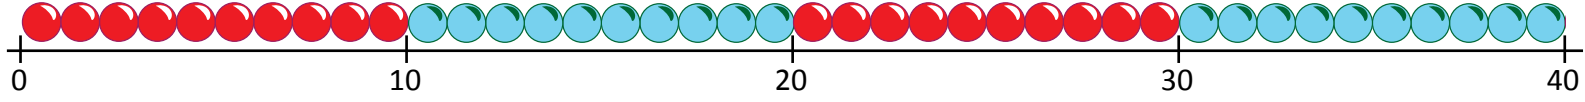

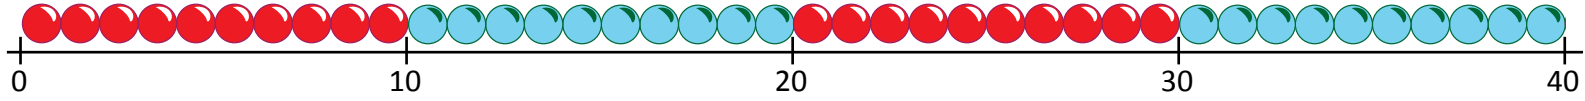

Try to get four in a line, horizontally, vertically or diagonally!

16	15	55	10	40
60	6	25	100	20
35	120	24	80	70
50	22	8	14	30
12	90	45	110	18
